To Roslyn Fire Department

| Electrician | Job | Payment Terms | Due Date |
|--------------|------------------|--------------------|----------|
| Dustin Doyle | Fire Department. | Time and Materials | |

Proposal of work:

Restore fixtures and wiring on first floor per agreement and electrical code. This may include ballasts, lamps, and fixtures for replacement as needed. Additional fixtures will be provided if requested. Add covers and receptacles where required by the Fire Department and by electrical code. Additional switching will be provided for the stairwell as well as the main garage bay. Add two Gfi receptacles on two circuits for the kitchen and add outlets as requested by the Fire Department in the main lobby on the second floor.

All labor and quantities of materials are estimates. Actual job cost will be based on the extent of work requested by the Fire Department and the requirements of electrical code/inspector.

The job will be performed on a time and materials basis.

Labor @ \$30.00 per hour + cost of materials purchased by D Squared

Roslyn Fire Department

Quote recap for electrical work at fire station.

Scope of work includes, but is not necessarily limited to, replacement of extension cords with permanent circuits and outlets; repair and/or replacement of various light fixtures in the apparatus bays, including night lights; additional switches and receptacles to serve current needs; and proper wire terminations junction boxes. The nature of the work lends itself to be performed on a time and material basis. Final determination of the work will be made as the work is performed, and Roslyn Fire Department volunteers will work with the electrical contractor, moving apparatus out of the way, cleaning and re-lamping fixtures, pulling wire, and cleaning up. Volunteers are anxious to help out, so that the work can be done as cost-effectively as possible.

Art Solbakken, First Assistant Chief, has contacted the following electrical contractors to obtain hourly-rate bids for the work, based on 2 to 4 days of work. All of these contractors are on the City of Roslyn Small Works Roster.

D Squared Electric LLC 509-260-0485 Dustin Doyle \$30.00 per hour

Dustin is an owner-operator, thus he does not have to pay himself prevailing wage rates.

Cabin Creek Electric 509-304-6121 Brad Niebuhr \$75.00 per hour

Beckstead Electric 509-663-1148 Russ Beckstead \$70.00 per hour

The Fire Department recommends that this work be awarded to D Squared Electric, LLC, based on the very favorable hourly rate.
