

Roslyn Fire Department Emergency Management Homeowner/Resident Ready-Set-Go Instructions and Information request form

Skye Osiadacz, Chief

Dear City of Roslyn Resident:

The Roslyn Fire Department (RFD) is compiling resident/homeowner information for use in our emergency alert system. Please provide ALL the information requested below. RFD and regional partners will use the information to provide assistance and information in the event of wildfire or other emergencies. You should understand the following evacuation levels:

Level 1 – Ready: Residents should be aware of the fire threat in the area and start preparing to leave.

Level 2 – Set: Residents should be prepared to leave at a moments notice. Important papers, photos and medicines/prescriptions should be packed and ready to take with you.

Level 3 – Go: Residents should evacuate immediately.

Please cut on line and return lower portion with your utility payment.
Please call 509-649-3105 for help or if you want to provide this information sooner.
